MIDWEST BROILER/FRYER - Final majority prices in Midwest markets were mixed with Ohio cities TFEWR. Whole fryer market tone was mostly steady. Offerings were light to moderate. Retail and food service demand was slow to moderate with fast food and catering outlets providing best interest. Floor stocks were adequate; weights irregular. Parts supplies were generally in balance; thighs and tenders were plentiful. Trade sentiment was fully steady on leg quarters and drums; fully steady to firm on boneless/skinless breast; barely steady to weak on thighs and whole breasts, and steady on wings.
